

## Absence Report: August – December 2018

This current school year, from August- December 2018 our absence average in our high school department was 7.6 % and our unsubmitted written assignment rate was 2% percent, and we are planning to decrease this to 5% and 0% percent. Our records for the year of 2017-2018, will be posted once our system provider has updated its records.
