PTA Meeting

- 1) Playground issues: Jumping from the climbing frame. School to reach some agreements about safe use of the climbing frame.
- 2) Nedzat has promised more equipment to be available in the playground.
- 3) Muddy Playground: The school needs to wait for the gym to be built before this issue can be addressed.
- 4) Toilet issues and classroom cleanliness:
 - Pre-K parents are asked to remove items in the cubbies on Fridays, so the cleaners can clean the area more thoroughly.
 - The last PYP assembly included a focus on everyone cleaning up after themselves
 - The staff weekly news after winter break will include a section on reminding student
 - The cleaner's schedule has been checked and now includes a signature/date process
 - In March, the nurse and PYP Principal will coordinate some activities and a focus on hygiene for all PYP students
 - We hope these initiatives will help the overall maintenance of the school, but if it doesn't the management may start to spot check areas like the canteen to ensure that students and teachers are keeping it in a reasonable condition through the day
- 5) The school gym: The school has made another application for the school gym to be built on ground level, architects have finished but waiting for Kobenhavns Kommun permission.
- 6) Student council: Prefect system, House system, Head of house, Head of school etc. To be discussed with School Principals.
- 7) Fees increase: Please read the letter sent from the school with explanation.
- 8) Maths Issues: Dr. Kurt explained IB Maths in the MYP.
